Undivided: Loving God Above All Else

There are few things more powerful than witnessing someone throw all of themselves after a cause or commitment. When we as people get behind something with all our energy and focus, it's remarkable what we can do.

The opposite is true, as well. So often we see the broken results of someone giving only a portion of their focus and energy to something – a cause, a task, a relationship. Half-hearted commitment is really no commitment at all.

This is especially true when it comes to our faith. The Bible is clear: God expects and deserves our undivided affection and commitment. Anything less falls short of who we are called to be as Christ-followers. Don't you want to see this kind of faith in your life?

Undivided: Loving God Above All Else will boldly challenge you to pursue Christ with single-minded devotion, discovering that the only love worth giving God is an undivided one.

What is D-Now?

Disciple Now (D-Now) is a weekend to get away from your normal routines to focus on God and become better followers of Him. Friday night, Saturday, and Sunday morning will be filled with worship services and small group discussions led by special guests, and the students will spend the nights in host homes. It has the potential to be a life-changing experience and light a fire in your lives.
